

Appointment of Trustee

The National Library of Wales creates cultural and economical value for the people of Wales by leadership and working in partnership. We remove obstacles to information, develop skills to create information and preserve information for future generations.

The Library is eager to appoint a new Trustee and whilst doing so attempt to address the diversity imbalance of the Board, as well as trying to achieve a Board which is more representative of the minority groups we serve.

As a Board member, you will be eager and enthusiastic in providing the Library with strategic leadership, helping the Library to provide first class services, face challenges creatively, scrutinise its performance and make the Library more relevant to the differing needs of our communities.

We would like to recruit individuals with experience of working in one of the following areas; human resources, legal, buildings management, digitisation, media and broadcasting, fundraising, income generation, sustainability, and international networking, but this is not essential.

Trustees are not remunerated, but we will pay travelling and other reasonable costs. The appointment is made in consultation with Welsh Government and will be made based on merit following a fair, open and transparent competition, and will be for a period of four years from 1 February 2022.

Board meetings are held in Welsh and English and Trustees can work in whichever language they choose.

"So! What makes you believe you can help the Library reach out to the public?"

If you would like an informal chat about this exciting opportunity, you can contact Carol Edwards, (Governance Manager), on 01970 632923 or email carol.edwards@library.wales. You are also welcome to visit the Library to talk to the Chief Executive and Librarian if you so wish.

To apply for the role, please forward a CV and covering letter stating how you meet the specification for the role to Carol Edwards at the above address. Further information about the Library, including its governing documents, can be seen on our website;

The last date for receiving applications is **4.00 p.m on 17 November 2021.**

Interviews will be held on **1 December 2021.**
