Visit to the 9th Shanghai International Library Forum

Purpose of report / paper:

To give a summary of the visit

Summary of report / paper:

The President and the Library's Published Collections Project Manager, attended the 9th Shanghai International Library Forum held at Shanghai Library between 17 – 19 October 2018. During the Forum, the President delivered a paper "Beyond these Walls: A National Library for Wales", which focused on the use of digital technologies to open the National Library of Wales' collections to users in Wales and beyond. The paper also drew attention to the Hawkes Collection of Chinese books held at the Library. During the visit, there was an opportunity to further develop our partnership with Shanghai Library and discussions took place with regard to developing a joint project which would create online catalogue records for the collection and digitise parts of the collection.
